<sup>1</sup> YVCOG deadlines allow staff time to make an air quality determination (if necessary), prepare submittal documentation, and conduct a mandatory two week (14 day) public review period. Formal amendments need approval by resolution from the MPO Executive Committee. Formal amendments are now possible from January through October.

<sup>2</sup> Corrections and amendments to the Regional Transportation Improvement Program (RTIP) may be submitted directly to the STIP through Nancy Huntley as well as notifying the RTPO.

<sup>3</sup> These deadlines are set by WSDOT Highways and Local Programs Division in Olympia. **Blue dates note when the STIP submittal is made to WSDOT prior to the MPO Executive Committee meeting.**
