**SCOPE OF WORK**

**PURPOSE**

Emergency Solutions Grant (ESG) contracts will support rapid re-housing and shelter operations to serve ESG eligible households as part of the larger homeless services system. Individual projects may be funded directly with ESG funds and/or supported with local revenues, as specified in Exhibit C – Budget of this agreement.

The purpose of ESG is to support the emergency response portion of the homeless system. To this end, services are to be targeted to those who are literally homeless (unsheltered, staying in temporary housing for the homeless, or fleeing domestic violence). While prevention rental assistance services may be delivered to clients who qualify as ‘at imminent risk’ or ‘unstably housed’, this should be an infrequent use of funds in relation to demand from targeted populations.

**Permissible Activities:**

The activities and associated eligible costs are permissible under this agreement as described in the ESG Program Guidelines provided on the Department of Commerce website <http://www.commerce.wa.gov/Programs/housing/Homeless/Pages/EmergencySolutionsGrants.aspx> and provided for in Exhibit C - Budget. Any revisions to the Commerce Guidelines are understood to supersede the current document and such changes to the Guidelines during the contracted period are to be incorporated into this agreement, provided such changes do not contradict applicable federal or state of Washington statutes and regulations.

Categories of assistance include but are not limited to:

1. Administrative Costs
  - a. Admin is limited to the amount listed on Exhibit C – Budget.
  
2. Rental Assistance
  - a. Direct Assistance – rent payments, utility cost
