

Yakima County Continuum of Care Rank and Review Committee Application 2017

Approved by YC-CoC Board on August 15, 2017

The Yakima County Continuum of Care appointed a Criteria Committee to develop guidelines for the future Rank and Review Committee to score and prioritize the 2017 HUD McKinney Applications from the various projects in Yakima County. This includes the identification of various levels of expertise that will be required to be represented on the committee including:

- At least 1 individual who is homeless or previously homeless
- At least 1 individual who has a high level of expertise in either Affordable Housing or Homeless Housing
- At least 1 individual who is a service provider who serves individuals who are homeless
- At least one individual who is a local governmental representative

Individuals who are interested in being on the Rank and Review Committee need to complete the form below and submit it to the McKinney Vento CoC Coordinator by August 17, 2017. The Chair of the Continuum of Care Board will review the applications and select no more than 7 individuals to participate on the Rank and Review Committee. Should there not be enough applications submitted, he will identify potential committee members from who are active participants from one of the three following groups:

- Yakima County Continuum of Care
- Homeless Planning and Policy Council
- Homeless Network of Yakima County

Individuals who are interested in being on the Rank and Review Committee will also need to complete the attached Conflict of Interest Policy and Code of Conduct. They will also need to participate in a Webinar explaining the use of the HUD Rating and Ranking Tool that will be used to score and prioritize the applications and be available to meet for both pre-training and a post scoring meeting with other committee members.
