**Upcoming Transportation** Issues

Alan Adolf

- New Washington Legislature House Speaker Lori Jenkins, Tacoma. Replaces Frank Chopp
- STP Funding Obligation Failure to obligate future STP funds in obligation year could now result in permanent loss of funds. DOT cannot commit to obligate unused funds due to lack of large dollar federally funding projects on their project lists.
- Statewide Discussion on "Collective Data" Purchases cost prohibitive to individually contract for subscription services such as traffic modeling and data sharing. Looking at collectively purchasing.
- Intercity Bus Program funding for one additional WSDOT programmed route. "Yakima to Centralia" route did not make the final review. Yakima/Toppenish to Biggs for transfer to Portland, ranked top 3 and is being considered.
- Future State RTPO Funding Distribution Funding has not increased since 1994. Difficult for RTPOs to continue to provide planning services with less money. Approach Legislature for increased funding statewide. Letter from Policy Board may be requested.
