Speaker Biography

Jose Lopez
Vice President of Inpatient and Residential Services
Central WA Comprehensive Healthcare

“I have been working with Comprehensive Healthcare for nearly 13 years. I started my career providing direct client care and have continued my career growth throughout the years into the title I hold now.

I have a passion for working alongside underserved and marginalized communities. I belong to several communities I help serve, and I know how challenging it can be to be heard. My work has always been focused on providing a voice for those communities that need it the most and advocating for equitable opportunities for such communities; Nothing about us without us.”
